RETURN TO CAMPUS
GUIDE FOR STUDENTS
The College of the North Atlantic – Qatar has been preparing for the return of students on campus based on the phased-in approach, taking into consideration the intent and directions from the Ministry of Public Health (MoPH) and the parameters established by the government of the State of Qatar.

The College is committed to the health and safety of its faculty, staff and students. This commitment has never wavered, and it remains to be a guiding principal as the College prepares to enact a carefully planned and measured reopening of its campus.

In order to support these efforts, students returning to campus must abide by the general health and hygiene guidelines stated below. Everyone has a personal responsibility for their safety and others around them.

Please be advised that the guidelines in this document are subject to change, based on the direction from MoPH.

**HEALTH AND SAFETY GUIDENCE**

**Download Ehteraz**

All Students must download the Ehteraz application before arriving on campus. Only students with the application displaying status as ‘green’, with names appearing therein matching QIDs, will be allowed on the College premises (this requirement applies to drivers and all other passengers in the vehicle).
Health and Safety Guidance

Temperature Screening
Temperature screening will be undertaken at the security gates before being allowed entry to the College premises. Individuals with a temperatures of 38 Celsius and above, will not be allowed on the College premises.

Parents, taxi drivers or others dropping off students will have their temperature screened and Ehteraz application checked at the gates before being allowed on the College premises.

Face Masks
Face masks must be worn before being allowed into the College and must be worn at all times – especially in all common spaces with other people present (e.g.: classrooms, library, learning commons, labs, common work areas, meeting rooms, recreational centre, sport facilities). Masks must be properly fitted, covering the nose and mouth and must not be worn hanging under the chin.

Gate Entry and Exit
Gates 2, 1 and 3, are to be used for entry into the College. Gates 1 and 4 are for exiting only. You may experience delays at the gates due to the screening procedures. Please ensure you plan your journey to the College with extra time in order to avoid being late.

Guidance & Medical Clinic for Screening
Students who have been identified as being in the vulnerable groups should contact Student Affairs for guidance.

Any student experiencing symptoms of illness while on campus should immediately visit the College medical clinic.

Report COVID 19 Cases
The College shall report any suspected and / or confirmed COVID case to the relevant health authorities as per Articles 3 and 4 of Law No 1990/17 for Protection from Infectious Diseases. for screening.

Health and Safety Guidance

Stay in Touch With Faculty
Students are asked to stay in touch with their respective faculty in the event of being away from College due to any COVID19- related issue. A proof is required in such cases.

Stay at Home
Students are required to stay at home if they have tested positive for, or exposed to, COVID19, even if they are asymptomatic, until such time as they are cleared.

No student should come to campus if they are ill, or are experiencing symptoms of COVID19- until released by a healthcare provider. If a person living in the same household has tested positive for COVID19- or is sick with or experiencing COVID19- symptoms, students must not come to campus. Supporting documentation must be submitted in these circumstances.

Provide Details
Students may be required to provide details of persons they have been in recent contact with, in the event of a positive COVID19- case. This is to assist the College with contact tracing and tracking.

Social Distancing of 1.5 Meters
Social distancing of 1.5 meters, as communicated by the Ministry, must be maintained at all times while on the College premises. Students are expected to avoid and reduce personal interactions at building access points; avoid physical contact, including handshakes, avoid overcrowding in offices, outside seating areas, hallways, stairs/elevators, restaurant, and café, break rooms.

Follow Good Hygiene Practices
Students are advised to continue to observe and follow good hygiene practices, including regular washing of hands (recommended 20 seconds) and use of sanitizers on campus; avoid touching eyes, nose and mouth with unwashed hands.

طبقات من الطلاب الباقين، على اتصال مع كليهما في حال اخبارهم

التواصل على اتصال مع الكليات

Health and Safety Guidance

Prayer Rooms
Prayer rooms will have limited access; social distancing must be maintained and hand sanitizers must be used before entering and after exiting the room. The prayer room doors will be opened for individuals only 15 minutes before scheduled prayers. After each prayer, prayer rooms will be closed for 1 hour during which it will be disinfected. The students are to leave the venue immediately after the prayers. The prayer rooms are to remain closed at all other times. Doors to remain open during entry and exit time (to avoid touching door handles).

Plan Virtual Meetings
Students should expect that meetings with College employees will occur virtually as much as possible. One of the available tools for virtual meetings is Zoom. Calling or emailing is encouraged rather than face-to-face meetings. Students are advised to plan any meetings or gatherings with health measures in mind, including wearing of face masks, maintaining social distancing, avoiding capacity limits for the space, and encouraging hand washing or use of hand sanitizer.

Clean Etiquette
Students should engage in respiratory etiquette, including covering coughs and sneezes.
- Students should avoid sharing phones or other equipment.
- Students should frequently clean their space & belongings.

Follow College Hygiene Rules
Students may be asked to leave a facility or a classroom if they are not abiding by the College health and hygiene rules as outlined in this guideline document. Any student, who refuses to leave a facility or classroom may be referred for student disciplinary action for a disruption; Security staff will enforce all safety measures within the College campus and students are expected to comply with the same.

• Students should follow the guidelines of the symptoms of COVID19, isolation and quarantine as per MOPH guidelines: https://www.moph.gov.qa/english/Pages/default.aspx. In all circumstances students should communicate with their faculty and Student Affairs.
