IN 2001, HER HIGHNESS SHEIKHA MOZA BINT NASSER HAD A VISION: to open a state-of-the-art college in Qatar that would provide the next generation with technical training to support Qatar in becoming a world leader.

A team searched the globe for the best technical institution and found the perfect partner – College of the North Atlantic in Canada. In 2002 a partnership was established, making CNA-Q the only multi-disciplinary technical post-secondary institution in Qatar.

Today we offer over 30 programs in Business Studies, Engineering Technology and Industrial Trades, Health Sciences and Information Technology, that prepare Qatar’s youth to be tomorrow’s leaders.
NUMBER OF STUDENTS ENROLLED

800+ ENGINEERING TECHNOLOGY AND INDUSTRIAL TRADES
800+ BUSINESS STUDIES
350+ INFORMATION TECHNOLOGY
330+ HEALTH SCIENCES
140+ ACCESS PROGRAM

5400+ GRADUATES ARE WORKING in the fields of Business Studies, Engineering Technology and Industrial Trades, Health Sciences and Information Technology

6200+ PARCHMENTS AWARDED

2500+ FULL-TIME STUDENTS ENROLLED

21 INTERNATIONALLY ACCREDITED PROGRAMS that meet global industry standards

OPENED IN 2002

300+ WORK PLACEMENTS PER YEAR
150+ CLINICAL PLACEMENTS PER YEAR

TCP is a specially designed program to prepare students to work at the technician (certificate) level in Qatar’s Energy and Industry sector. All students are Qatari nationals and sponsored by industry partners. Graduates are immediately ready to work once they achieve their credentials.

The Technician Certificate Program was launched in the 2016/17 academic year. It was developed in partnership with Qatar’s Energy and Industry sector.
My experience at CNA-Q has been excellent. I’ve only ever been to one other college before but my experience here is much better. What makes it better is the fact that at CNA-Q I get to perform most of the work in the workshops that are provided for us. This totally changes my experience. The instructors here are really friendly and professional.”

Hamed Roberts
TCP Trainee

Do you like…

The School of Language Studies and Academics courses ensure student success in educational programs that meet international certification requirements. It also ensures that students will gain Canadian credentials offered at the College, upon completion of their program.

**LANGUAGE COURSES OFFERED:**
- English as a Foreign Language (EFL)
- Foundation English

**ACADEMIC COURSES OFFERED:**
- Biology
- Chemistry
- Mathematics
- Physics
- Psychology

Every student enrolled in a CNA-Q program will complete at least one course from the School of Language Studies and Academics (LSA).

LSA helps students meet the requirements to enter or complete their program of choice by offering foundation English, Mathematics and Science courses.

National and international students can enroll in full-time language studies to improve their English.

Accredited by [CEA](#)
HOW TO APPLY

What you will need to complete your application:

- Official transcript from a secondary school
  *Graduates from non-State or private schools must provide a certificate of equivalency from the Ministry of Education and Higher Education*
- Photocopy of National ID
- Photocopy of Passport
- Application fee (100 QAR)
- Completion of Mathematics and English Placement tests (200 QAR fee)

While we are processing your application, we invite you to be our guest for a personalized campus tour.

We will escort you through our beautiful campus where you can learn more about our campus life, academic programs and meet with instructors. To contact one of our Student Recruitment Officers, please call: 4495-2225

Apply online at: go2cnaq.cna-qatar.com

When you apply online you will be asked to create a CNA-Q account. Step-by-step instructions on how to do this are provided on the site
YOUR HOME FOR LEARNING

- Modern laboratories, workshops and simulation technologies
- Friendly qualified instructors
