

Volume 2

Education and Skills for Inclusive Growth, Green Jobs and the Greening of Economies: Detailed Country Case Studies of India, Indonesia, Sri Lanka and Viet Nam

**Rupert Maclean
Shanti Jagannathan
Brajesh Panth**

**This volume is published on the Internet at:
www.cna-qatar.com/research/unesco-unevoc**

**Published by the UNESCO-UNEVOC Centre for Qatar,
Office for Applied Research and Innovation,
College of the North Atlantic-Qatar**

Important Note:

1. This document provides full details about the four country case studies undertaken as part of *ADB Project TA-7879 REG: Education and Skills for Inclusive Growth and Green Skills*. It is referred to here as Volume 2 of what is a two volume report.
2. Policy makers, researchers and practitioners are also referred to the hard copy book published on the same project (referred to here as Volume 1), which provides an overview of the research undertaken, reports on the main findings and recommendations of the study and presents *case study summaries* of India, Indonesia, Sri Lanka and Vietnam:

Rupert Maclean, Shanti Jagannathan and Brajesh Panth (2017). *Education and Skills for Inclusive Growth, Green Jobs and the Greening of Economies in Asia: Case Study Summaries of India, Indonesia, Sri Lanka and Viet Nam*. Dordrecht: Springer

3. This report provides full details on the case studies of India, Indonesia, Sri Lanka and Viet Nam which are summarized in the book published in hard copy form and referred to under point 2 above.

TABLE OF CONTENTS

List of Boxes, Figures and Tables.....	iii
List of Abbreviations	xv
